Guidelines to State Governments regarding Non-conventional Energy

2418. SHRI YERRA NARAYANASWAMY: Will the PRIME MINISTER be pleased to state:

(a) whether Government have issued model guidelines to State Government suggesting ways in which non-conventional energy can be brought by SEBs;

(b) if so, the details of the guidelines;

(c) whether State Governments have agreed to cooperate in implementing these guidelines; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI S. KRISHNA KUMAR): (a) and (b) A set of guidelines has been forwarded to all the States towards a uniform policy pertaining to private sector power projects based on Non-Conventional Energy Sources. The guidelines include incentives and facilities for wheeling, banking, third party sale and buy-back of electricity generated by the Non-Conventional Energy Sources at a minimum rate of Rs. 2.25 per unit by the State Electricity Boards.

(c) and (d) Policies have already been announced by Punjab, Uttar Pradesh and Madhya Pradesh based on these guidelines. Policies in Tamil Nadu, Andhra Pradesh and Kerala have been modified to incorporate some of the suggestions. Certain policies have also been announced by Gujarat and Karnataka. The matter is being pursued with other States.
